FAMILY

HISTORY

COMPILED BY BETTY JO (HICKS) BLOMEKE

The Blomeke Family History
is
Dedicated
to
Mary Mildred (Blomeke) Tepley
1928 - 1991

DEDICATED
TO
MARY MILDRED (BLOMEKE) LEPLEY
1928 - 1991

In 1985, Aunt Millie (Blomeke) Lepley compiled a family history from what she could remember about four families: The Dibling Family, the Marchal Family, the Jerger Family, and the Blomeke Family. Her "family tree of sorts", as she called her work, was my inspiration in compiling my first family history.

A project of this size takes the combined efforts of more than just one person. At this time I want to acknowledge and name a few of those individuals who did research, typing, and other things to make this Family History a reality for me to be able to compile.

To my husband and sons for putting up with my many late nights of typing and printing on a very noisy printer. Thank you for driving me to the Ft. Wayne Library week after week. Most of all, thank you for listening to my constant talk about the families I have been researching. Thank you for understanding why I spend so many hours reading and re-reading the many letters, notes, books, and copies of information that was incorporated into each family history I have attempted to compile. Without your love and understanding, I would not be able to continue with these family histories.

To Mary Martin, my Mentor, and the best "Genealogist/Researcher" I have found. Mary added many missing pieces and was doing The Blomeke and The Jerger Family Histories many, many years before I even thought about them.

At this time I want to thank a few people who contributed or were instrumental in compiling the Blomeke Family History: Mel Markwardt, Jim Ely, Marcia Blomeke, Bernie Blomeke, Jenny Blomeke, Anthony Blomeke, Blanche Blomeke, Mark & Dee Williams, Patricia (Mayhew) Gorsuch, Joan Rew; and many, many other people not mentioned by name above who took time to fill out family sheets and answer questions about the family.

Green, abt 1905, born abt 1864, LaSalle, Monroe, MI, Occupation: Railroad Agent, died bef 1920, Monroe, MI. Francis died Aft 1936, Detroit, Wayne, MI, buried Detroit, Wayne, MI. Francis's last known address in 1935 was 5591 Greenway Ave, Detroit, MI. She worked as a seamstress for Newton Annis Furs for many years. Many people say that she was still alive in 1936 and attended the Blomeke/Jerger reunion. At this time we are assuming her place of death and place of burial to be Detroit, Wayne, MI. Gertie Buchs Jerger remembers Francis as being very "beautiful" and "stately", a woman to remember, even though she was quite old when Gertie saw her at the Blomeke/Jerger reunion in Edgerton, OH in 1936/1937. Warner: Warner was the son of Joseph Greene and Lucinda Wilford. His 1st. wife was Eleanor Marshall. They were married the 11th of Aug. 1896 in Brest, Monroe, MI.

- A. Baby Preston/Green? The only record found for this child of Frances (Blomeke) Preston/Green is in the 1910 Census. Frances is shown as having 1 Child, 0 number living. Frances could have had a child by either Bernard Preston or Warner Green. At this time, the adopted child was alive in this census and he was still alive in the 1920 census. In this conclusion, a child was born to Frances and more than possible died as an infant.
- B. Willard Green born Abt 1908, Ohio. Willard is thought to have been the child of Clara Jerger, Willard's father was unknown. He is thought to have been adopted 1st. by his Uncle, Anthony Jerger and Blanche Stoy. After Anthony died, Blanche married a Charles Stauffer. Blanche's 2nd. husband shot and killed Blanche and himself. I think Francis Blomeke and her 2nd husband, Warren Green, adopted this boy. At this time, we are only making a guess. See additional notes for Bernard Jerger, adopted son of Anthony Jerger. Was Bernard's named changed to Willard?

JUNE 1, 1995

I don't pretend that this record is complete. It never will be. As each new day begins, changes happen; a birth, a marriage and a death. I became interested in the family's histories in 1990/1991 and added and revised daily. Many times it seems impossible to gather all the many, many families together in one book, a book that never stays up-to-date.

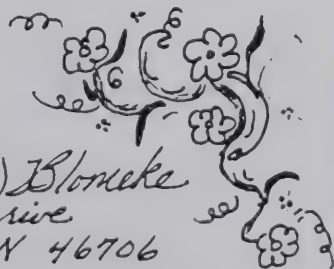

Sometimes you will find names and many, many dates are missing. For these, I have done my best to locate, but have not been able to locate yet. It is also very hard to obtain information from relatives who are not interested, or are afraid of old family secrets.

It is my hope that you will find as much pleasure reading the Families' Histories, as I have in compiling them.

I am asking that anyone who finds mistakes; or has any additional information they wanted added; or additional information in general; please write to me.

I hope you and your family are documenting the important dates and moments of the short time we are on this earth. Who knows what the tomorrow's generations will want to know about you and I.

Sincerely,
Betty Jo (Hicks) Blomeke
